MATERIAL
GUARANTEE**

This is a material-only guarantee for the CRS Roofing System and is only valid when using the system as stated in the installer's guide.

This Guarantee is for the benefit of the installer and should be seen as a guarantee of materials only.

We _____ the supplier guarantee that the CRS Roofing System will remain durable for the period of this guarantee, subject to the conditions listed in this guarantee.

This is not a guarantee of the user's workmanship or installers' competence.

Guarantee Conditions

We _____ expressly guarantee that the CRS Roofing System when applied in accordance with the Technical Datasheet and normal standards of good workmanship, will remain durable for not less than 10/15 years from the date of application when using any associated products as detailed in the installers guide. In the event of any claim under this guarantee, the obligations of us the supplier shall be limited solely to the supply of replacement materials originally supplied under the guarantee or the nearest available substitute at the time of any claim.

The guarantee will only apply to the UK. The guarantee shall not apply where the damage or deterioration complained of is not attributable solely to any defect in the products as supplied.

The guarantee shall not apply where any damage or deterioration is due to accident, adverse weather, wilful damage, building defect, fire, abnormal atmospheric pollution, subsidence, war or act of war, civil commotion or act of God, insufficient maintenance, unauthorized repair, incorrect handling, incorrect storage or installation, or incorrect use for any purpose not recommended by Composite Roof Supplies Ltd

We shall not be liable for any consequential, indirect, or special loss or damage of any kind whatsoever including, but not limited to, damage caused by leaks.

The materials guarantee will only cover the costs of the CRS Roofing System used and must follow the correct coating weight specified in the installation guide.

The guarantee shall not apply unless payment has been made in full to the distributor/customer for the supply of the CRS Roofing system, the benefits conferred by the guarantee shall not affect the Installer's statutory rights.

Any claim must be made in writing within one calendar month of the fault arising including valid batch numbers of the materials used and proof of purchase and application date. We _____ must be given the opportunity to test retained samples for compliance to the Technical Data Sheets and inspect the fault in question. Any replacement materials supplied will be covered under the guarantee for the period of time, if any, remaining unexpired at the time of their supply.

The guarantee shall cease to apply in the event of the Installer going out of business or entering into insolvency proceedings or any event with a similar effect to the same and the Installer is not permitted to assign this guarantee at any time.
